

Donnycarney Update – Flood Defence Works To Start in November

Dear Resident,

Over the last number of years, we have been campaigning along with local residents for flood defences in the Donnycarney/Clanmoyle area. This area has been badly affected by major flooding incidents and we have just received notice from Dublin City Council that work is now scheduled to begin in November of this year. These flood defences are long-awaited and badly needed - it is a testament to the hard work of residents that funding is now secure and a start date has been set.

Please find below correspondence from Dublin City Council detailing the arrangements for the flood defence work.

If you have any queries, please don't hesitate to get in touch with us.

Kind regards,

Aodhán and Jane

Dear Resident,

Following on from this morning's progress meeting between Dublin City Council, Clontarf Golf Club and the OPW. On behalf of Gerard O'Connell, Engineer in Charge of the Regional Projects Division, Dublin City Council. I am delighted to inform you that the OPW have confirmed that they intend to mobilise in mid-October 2013 and set up a site compound at the Clontarf Golf Club, with a view to commencing construction works on the scheme at the start of November 2013 subject to agreement of outstanding permissions and consents.

Regards
